BRITISH COLUMBIA

March 12th, 2020

Dear Friends of Destination Imagination British Columbia,

This has been a uniquely challenging tournament season for Destination Imagination, with the advent of Coronavirus and the resulting COVID-19 outbreak.

In light with recent developments and in keeping with recommendations from public health authorities and Destination Imagination.org, we are sorry to announce that the DIBC Provincial tournament, scheduled for April 4th at Carson Graham Secondary School , in North Vancouver, has been cancelled. We are making this announcement today knowing that many teams would be spending the spring break getting ready for the provincial tournament.

This has been a very difficult decision, as we acknowledge the hard work and dedication from each and all the teams and team managers. The health and safety of all members of our community is our priority. As you likely know, the BC Health officials are calling for the cancellation of any gatherings of more than 250 people.

We encourage you to visit www.phac-aspc.gc.ca to keep up to date on the situation in Canada. For information regarding Covid-19 and its impact on Global Finals, please visit <https://www.destinationimagination.org/blog/message-regarding-coronavirus/>.

We will refund the registration fee to all teams that had registered to date.

Wishing you a great, safe spring break,

Warm Regards,
